Dr John Demartini

This is an amazing opportunity to see live one of the world's most pre-eminent and inspiring speakers, modern day philosophers and authors of our time – Dr John Demartini.

His scope of knowledge and experience is a culmination of 34 years of research and studies of more than 28,000 texts into over 200 different disciplines ranging from psychology, philosophy, metaphysics, theology, neurology and physiology.

Born in Houston Texas Dr Demartini was one of two children. At the age of seven he was told he had a learning disability and would never read, write or communicate. At fourteen he was a high school drop out living on the streets and panhandling for food to survive. After a near death experience at seventeen due to severe strychnine poisoning Dr Demartini made a decision that would change his life forever.

After being given a second chance I made the decision to dedicate my life to becoming a teacher, healer and philosopher. I have been working on that mission for thirty years now. I became a doctor of chiropractic and clinical researcher to understand the essence of healing. I became a professional speaker to master the art of teaching and I became a student of science, theology and philosophy to understand our connection with the divine.

- Dr John Demartini

Dr Demartini speaks 300 days a year in over fifty countries across the globe and is the author of over forty books. He's shared the stage with such icons as Deepak Chopra, Dr Patch Adams and Wayne Dyer and has been featured on over 1200 radio and television shows including CNN Larry King Live, CBS's The Early Show and even Good Morning Australia and Mornings with Kerri-Anne.

Most recently Dr. Demartini was a featured expert in the world wide phenomena book and DVD 'The Secret' by Rhonda Byrne.

Do not miss this rare opportunity to hear from this world renowned philosopher.

MADE OF HONOR

'Made of Honour' revolves around Tom and Claire, who have been platonic friends for 10 years. He's a serial dater, while she wants marriage but hasn't found Mr. Right.

Just as Tom is starting to think that he is relationship material after all, Claire gets engaged. When she asks Tom to be her "maid" of honour, he reluctantly agrees just so he can attempt to stop the wedding and woo her.

Starring heartthrob Patrick Dempsey this romantic comedy proves that it takes a real man to become a maid of honour!
