SEX AND THE CITY

Carrie Bradshaw (Sarah Jessica Parker), successful author and everyone's favourite fashion icon-next-door, is back, her famously sardonic wit intact and sharper than ever, as she continues to narrate her own story about sex, love and the fashion-obsessed single woman in New York City.

Sex and the City finds Carrie, Samantha (Kim Cattrall), Charlotte (Kristin Davis), and Miranda (Cynthia Nixon) four years after the hit HBO series ended, as our favourite friends continue to juggle jobs and relationships while navigating motherhood, marriage and Manhattan real estate.
