Special Guest - Tiffany Lamb

& the Gold Coast's own Perfect Match Celebrity Panel

SEPTEMBER 4th breakfast

Looking for love - does the perfect partner really exist and can you be matched up to ensure ever-lasting romance?

All this and more will be answered by our special panel of Love Experts. For the first time in Australia, six specialists have been brought together to help unravel the mysteries of love.

The Gold Coast Bulletin and Early Risers have been running an eight week search for the Perfect Match with singles in their 20's, 30's, 40's and 50's nominating themselves in the search for the perfect partner.

♥ Our Panel of Love Experts

Astrologer and metaphysician Tanya Obreza, family lawyer Catherine Kincaid, Pastor Sandy Ritchie, Psychologist Ruth Simons and online dating experts Kelly Lowry and Jacki Hendy.

♥ Our Special Celebrity Guest

Tiffany Lamb is the girl you remember the moment you meet her from the hit TV dating show – "Perfect Match"!

She is the gorgeous blonde that had the big hair and shoulder pads who co-hosted the dating game show in the 80's. Tiffany is now in her early 40's and living her dream of being an actress.

Don't miss this humorous, candid and entertaining event where we search for the answers to finding and maintaining true love!

Dates for your diary: Early Risers Breakfasts

Special Date Friday **October 10th** | Thursday **November 6th**

WALL•E

After hundreds of years of doing what he was built for, WALL-E discovers a new purpose in life when he meets a sleek search robot named EVE. EVE comes to realize that WALL-E has inadvertently stumbled upon the key to the planet's future, and races back to space to report her findings to the humans (who have been eagerly awaiting word that it is safe to return home). Meanwhile, WALL-E chases EVE across the galaxy and sets into motion one of the most exciting and imaginative comedy adventures ever brought to the big screen.

Academy Award®-winning writer-director Andrew Stanton ("Finding Nemo") and Pixar Animation Studios transport moviegoers to a galaxy not so very far away for a new cosmic comedy about a determined, and heroic, robot named WALL-E.
