Thursday May 7th 2009

They have become a national sensation! Two ladies with an amazing talent and they are coming to Queensland.

They will have you in stitches and teach you in the way of womanhood like you never expected!

Two very different women have collaborated to create best-selling books under the name of Kate Kendall. Writing

team Lisa Blundell and Michelle Harmer first met as private school mums over a latte in mid 2005. Lisa began her career in advertising as a copywriter. Michelle is a journalist and author and has worked as an editor at The Age newspaper. Both are mums and each have four children.

With designers labels and girly giggles on the mind, they have become a force to be reckoned with in the Australian writing scene.

Don't miss this brilliant start to the day with their tales of families, female wisdom and designer diaries.

This event is proudly supported by Arbonne.
